By Paul Terry.

In the farmer's backyard mice collect eggs from chickens, the old man himself, plays leap frog and a cat steals a pig from the mouse.

Then the rain starts. Ducks, geese and cats have a wonderful time while Waffles helps Al to load his wagon. His household goods nicely loaded, Al cracks the whip and the horse starts off. Frightened by the thunder and lightning old Dobbin drags the wagon and Al off the pier, into the water and back to dry land.

By this time the rain has stopped. Al's only remaining possession is his pet goldfish which Waffles steals and eats. Naturally the old codger chases the cat.
